@fudge1 @fight_far @AnnaPembroke @pritipatel @UKLabour So neither you nor any other lawyer or MP have failed to declare a loan from the bank of mum & dad

Or #GeoffreyRobinson as #PeterMandelson did

Or any cop or judge

None of you have arranged your cashflow to artificially inflate your apparent earnings on a loan application

@SBrownloe @fudge1 @fight_far @AnnaPembroke @pritipatel @UKLabour So none of you have had a verbal disagreement with your future wife and when rugby tackled from behind by a drunk off duty cop not had your boot head-butted by him

Nor injured a cop's arm with your neck when he jumped on you from behind

@SBrownloe @fudge1 @fight_far @AnnaPembroke @pritipatel @UKLabour So no lawyer judge cop MP or their families has ever dabbled or even "dealt" in drugs

One real straight honest judge threw out a case against #TommyRobinson & effectively accused the police & home office of stitching him up

Can you name ONE reporter jailed for contempt & when?!

@SBrownloe @fudge1 @fight_far @AnnaPembroke @pritipatel @UKLabour Can you tell me how many times actual criminals get fines they don't pay community orders they ignore suspended sentences they breach the conditions of...

Even getting suspended sentence for assault then punching cop as leaving court

Or getting restraining order for assault...

@SBrownloe @fudge1 @fight_far @AnnaPembroke @pritipatel @UKLabour Then immediately asssulting one of original victims

And only "punishment" for repeat assault & contempt of ignoring court order is extension of duration of suspension or increase of jail sentence that's suspended

I've seen several Letters To The Editor from retired magistrates

@SBrownloe @fudge1 @fight_far @AnnaPembroke @pritipatel @UKLabour Retired Magistrates complaining they'd NEVER been able to jsil ANYONE

EVERY time when the reports come back they had to suspend the sentence

Yet #TommyRobinson got jailed on a trumped up assault charge despite the fact it cost him his airside aircraft maintenance apprenticeship

@SBrownloe @fudge1 @fight_far @AnnaPembroke @pritipatel @UKLabour #TommyRobinson got bankrupted & lost his business for a #PeterMandelson/#GeoffryRobinson #MORTGAGEfraud

He got jailed in the *#UK* for illegally ATTEMPTING to enter THE *#USA* without the correct travel documents

Yet most lawyers & judges & "liberal" MPs seem to spend most of..

@SBrownloe @fudge1 @fight_far @AnnaPembroke @pritipatel @UKLabour Yet most lawyers & judges & "liberal" MPs seem to spend most of their time arguing for open borders & freedom of movement

That illegally entering a country isn't a crime

And defending people who have wrong or no documentation & haven't even tried to enter this country legally!

@SBrownloe @fudge1 @fight_far @AnnaPembroke @pritipatel @UKLabour My argument

As I keep repeating

Isn't about whether #TommyRobinson committed any crimes

It's about the double standards hypocrisy & hate of politicians judges lawyers police media & rest of "progressive" lefty "liberals"

Thanks for confirming it with your straw manning!!!

@SBrownloe @fudge1 @fight_far @AnnaPembroke @pritipatel @UKLabour Should have looked at your bio first

"Proudly woke. Anti-fascist. Anti-religion. Anti-idiocy. Get your facts right, or get gone. Hate speech≠free speech"

Do you even know what fascism is

Look in the mirror to find out

Another one to whom this applies
