Case No

RC-05/2012/NIA/DLI

Case Title

Activities of Babbar Khalsa International (BKI)

Date of Registration : 28/08/2012

As per Government of India, Ministry of Home affairs Order Number. 11011/46/2012- IS.IV dated 22/08/2012, National Investigation Agency (NIA) registered and took over the investigation of Case No. RC 05/12/NIA/DLI at NIA Police Station, New Delhi under section 121, 121 (A), of IPC and 17,18,38,39,40 of UA (P) Act .

Summary of Allegations

On the allegation that Punjab based BKI operatives are receiving money from UK based BKI operatives (viz. Balbir Singh Bains, Joga Singh) and its front organizations, Including but not limited to, Sikh Organisation for Prisoner Welfare (SoPW), Akhand Kirtanee Jattha (AKJ) and Khalsa Aid, to commit terrorist acts in India, with the active support of Pakistan based BKI leaders (Wadhwa Singh, Jagtar Singh Tara). Further, Intelligence suggested that the money is being distributed to sleeper cells, jailed terrorists and the families of the terrorists in Punjab.

Present Status of Investigation

The case is presently under investigation.

NIA has been unable to probe in this case because UK is not supporting.

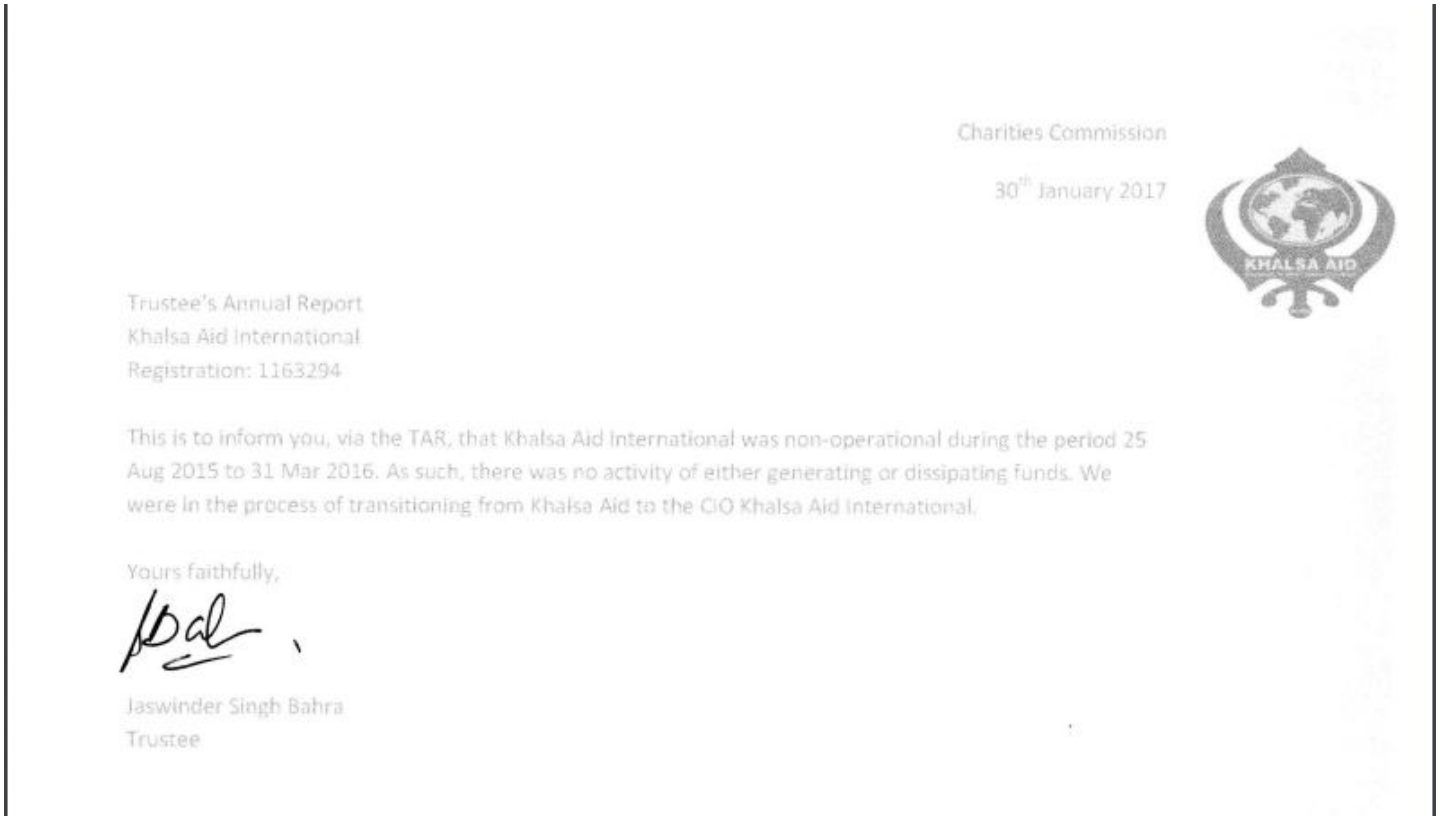

India has been unable to complete its investigation into a terrorist funding case related to the Babbar Khalsa International (BKI) for the past one-and-a-half years because the United Kingdom has refused to share evidence on the accused based in the UK.

The UK, which has abolished the death penalty, has demanded that India must first give an undertaking on not imposing the death penalty on the accused.

The case gains importance in the light of the recommendation of the Law Commission of India that the death penalty should be retained only for terrorism-related cases in India.

The problem is that 140 countries, including the ones in Europe, have either abolished the death penalty or placed a temporary prohibition on it.

Due to this case on them, they have transfer it to ‘ Khalsa Aid Internation’ from ‘Khalsa Aid’

They are also running their branches in all neighbor countries of India so when they want to form Khalistan they can get support!!

Now also please see some of the tweets of Ravi Sing who is head and founder of Khalsa Aid
You will understand about his ideology.

On Ram Mandir

They have also supported #CAA Protest and served tea to students of Jamia Millia Islamia university during Delhi Protest.

So they have clear agenda which we can see easily.

In this Farmer protest they are serving all the things with micro planning. Which is not possible without proper long term planning.

Let’s some of the service which they are providing to Protesters.
