Between this guy and the Nashville bomber, I guess it's time to

sigh

talk about "lizard people," David Ickes, QAnon, and the extreme antisemitism lurking like a rabid Loch Ness monster in this soup of conspiracy.

> Trumpist lawyer Lin Wood, who I believe has petitions pending before the Supreme Court, is in the middle of a flurry of tweets alleging Chief Justice John Roberts murdered a child on video. Also something about a Lizard Squad and assassins and, well, lots of stuff. pic.twitter.com/EPbeQLyDIk
