We should be proud about [@0xPolygon](#). But don't invest if you don't understand what they do just like any other asset class.

Should you invest in Polygon (Matic)?

\U0001f4a1 Here's [@PrateekLearnapp](#)'s take on [#Matic](#), as shared on [@CNBCTV18News](#).

What are your thoughts on [#Polygon](#) (Matic)? \U0001f4ac
