# Twitter Thread by John Morrison

**John Morrison**
@John_Liberator

**I want to start a thread of 90s rap records that aren't often discussed here.**

**I'll focus on singles that were dope/ringing off at the time because rap discussions on Twitter tend to focus on the same 15-20 "big ticket" classic albums, and this way, we can flesh things out a bit:**

..and this isn't a "definitive" or authoritative anything. I'm just killing time until my mom finishes Christmas breakfast. Lol
