@HODLcelsius

LIVE AMA THREAD ■ ■

High level updates will be posted here ■■

Alex says acceleration in AUM and users is the highest it has ever been ■

A special mention for the 24 hour community call setup by @dollarcostcrypt @Crypto_Flippin and @1trillionCEL from Zach. Alex attended and appreciates the effort from you guys!

Alex shows the “Channel of Dreams” created by @Crypto_Flippin ■

Pretty sure that name was created when @Crypto_Flippin and I were running together earlier in the year ■■

Alex confirms that Cardano #ADA will be added to Celsius wallet in Q2 of 2021 ■■

Alex quotes “We earn more, we pay more” ■■

Promo code TRUST is still live.

Deposit $2,000 and earn $50 free #btc if held for 30 days

Video by @IvanOnTech shared where he gives kudos to Celsius. Go give him a follow guys, he’s a Celsian ■

This last 7 days 17,000 new users have registered with @CelsiusNetwork of which 4,600 have made a deposit to become an active wallet.

Previous weeks were around 9,000 new users of which 3,000 made deposits to become active wallets.

WOW ■■■■

Celsius started 2020 with $550m assets under management and ended it with $5 billion

They also started 2020 with 30 employees and ended it with 150

228k users ■
$440k covered in fees ■
Over 50k #btc under management ■
$312m deposited in the last 30 days ■

The top 200 are all now CELionaires so it will be extended to the top 500 ■

1,600 people watching today's AMA, I'm pretty sure that's an all time high unless anyone has seen higher?

Celsius will continue to support #XRP deposits and take collateral for loans.

A special AMA on 15th Jan to cover the new desktop Celsius app ■■

Celsius will launch a credit/debit card when they have working product.
