**Does anyone remember when @DavidCornDC and I wrote about the #Groundswell group led by Ginni Thomas and organized by Cleta Mitchell?**

**The organizer of yesterday's insurrection is one of the top influencers in that group — JennyBeth Martin, formerly of Tea Party Patriots.**

@DavidCornDC Because no one calls them out, and because the IRS granted this group of orgs their coveted nonprofit status and further loosened restrictions and disclosures for them, they've been allowed to grow a seditious, criminal enterprise, led by the spouse of a sitting SCOTUS justice.
