this story belongs to me. the characters used obviously are not, and any occurrence in this story that could relate to any real life event is purely coincidental. I also DO NOT own ANY of the photos used in this AU.

now, I'm sure you all know this but:
■. do not comment, just quote.
■. do not copy or steal.
■. ignore the timestamps.
■. ignore any typos I make.
■. I am from Australia so I may use some Aussie slang in my writing.
■. ■■■■■!

This will include bullying. That's a main focus of this au. And there will be h*mophobia as well, from the bully. The bully won't have a platform, and is not based on an idol. This will be a comedy-angst so if the angst isn't your cup of tea well.

Anywho !! Enjoy !! I'm looking forward to writing this! ■■■■
