So it's Sunday January 17, the day that, according to reports, armed marches are planned on all 50 state capitols and DC. What are we seeing?

WHEN DEMOCRACY IS DESTROYED

REFUSE TO BE SILENCED

**ARMED MARCH ON CAPITOL HILL
& ALL STATE CAPITOLS**

**Come armed at your personal discretion.*
January 17th, 2021 @ 12PM
Washington Memorial to the White House
(and all 50 state capitols)

Over two hundred years ago, our
founding fathers fought for the rights
and liberties of this nation.

DON'T LET THEIR EFFORTS BE IN VAIN.
DEMAND FREEDOM.
END THE CORRUPTION.

STAND UP FOR LIBERTY

So far: very little. The overwhelming consensus in pro-Trump spaces is that the supposed marches today are FBI/CIA/Antifa false flag events or honeypots designed to draw them out.

Before the Jan 6 rally, MAGA spaces online were full of people saying they were going, planning their routes, making banners, wishing they could join. For today, it's the opposite. The message in Trumpworld is "stay home".
