I'll reply with reasoning!

Spider-Man 3 - I fucking love Tom Holland's Spider-Man and that cliffhanger! Zendaya could also step on me so I need more MJ!

Captain Marvel 2 - We stan Carol and also Kamala! Also, lesbian Carol maybe? I hope! MONICA MONICA MONICA MONICA MONICA MONICA YES!

Loki - Just Loki himself.

The Falcon and the Winter Soldier - I love the dynamic these two have and I'd love to see where the Zemo storyline goes!

WandaVision - Monica. Wanda. Vision. Multiverse. Must I say more?

Secret Invasion - I adore this storyline in the comics from what I've heard about it! Also Aussie rep is a YES for me!

Doctor Strange in the Multiverse of Madness - I adore Wanda and Strange so much. I can't wait to see their dynamic!

Ms Marvel - Kamala Khan rights!

Deadpool 3 - I just love the humour and can't wait for more of it!

Hawkeye - Only for Kate Bishop. I want a GCI replacement with Clint erased. But still KATE!

Ant-Man and the Wasp: Quantamania - KANG?! YES! Also, HOPE! YES! And Scott is cool!

Thor: Love and Thunder - Thor Jane. Gay Valkyrie. Some Guardians. Taika. Thor. Yes.

Guardians of the Galaxy Vol. 3 - The Guardians, humor, probably Thor, Adam Warlock. HELL YEAH!

Moon Knight - Moon Knight. Oscar Isaac.

Fantastic Four - I love them and I can't wait for MCU FF!!

Black Widow - I love Nat and the characters but I don't know why but I'm just not too hyped.

She-Hulk - I don't know why; I'm not too threatened. But I am looking forward to it!

Black Panther II - With Chad gone, I just... I don't know. I'm excited for Doom though!

Iron Heart - I don't think I'm hyped because we don't know enough yet, but I like Iron Heart herself!

Armour Wars - Eh.

What If - I don't know what it is, I'm just not too excited

Blade - I've never really liked the character of Blade to be honest,I don't know why

Guardians of the Galaxy Holiday Special - I don’t know why; I’m just not excited, I’m numb to it.

Shang-Chi and the Legend of the Ten Rings - I never have liked the Mandarin and I just don’t know enough to be excited, it’ll probably go up the more we find out

Eternals - Idk. Idk. I’m just not excited.

I Am Groot - I just don’t like the mini series format tbh
