The Eye of Horus. 1/*

I believe that @ripple_crippler and @looP_rM311_7211 are the same person. I know, nobody believes that. 2/*

Today I want to prove that Mr Pool smile faces mean XRP and price increase. In Ripple_Crippler, previous to Mr Pool existence, smile faces were frequent. They were very similar to the ones Mr Pool posts. The eyes also were usually a couple of "x", in fact, XRP logo. 3/*

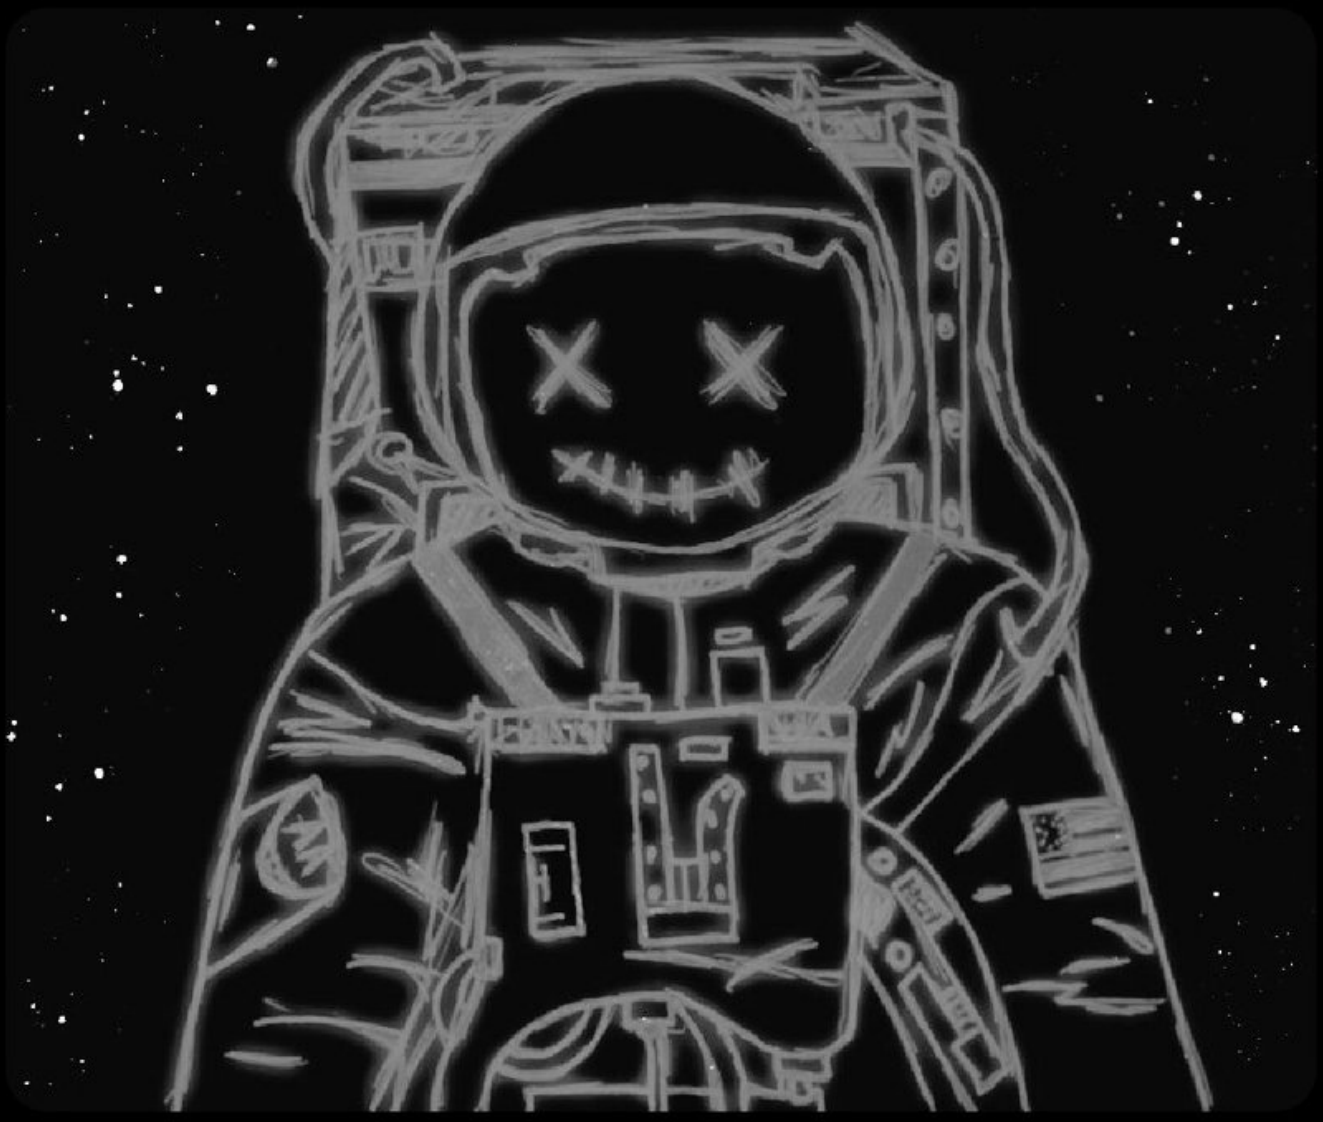

The smile XRP-eyed face also appears related to the Moon. XRP going to the Moon. 4/*

Nothing else to say...

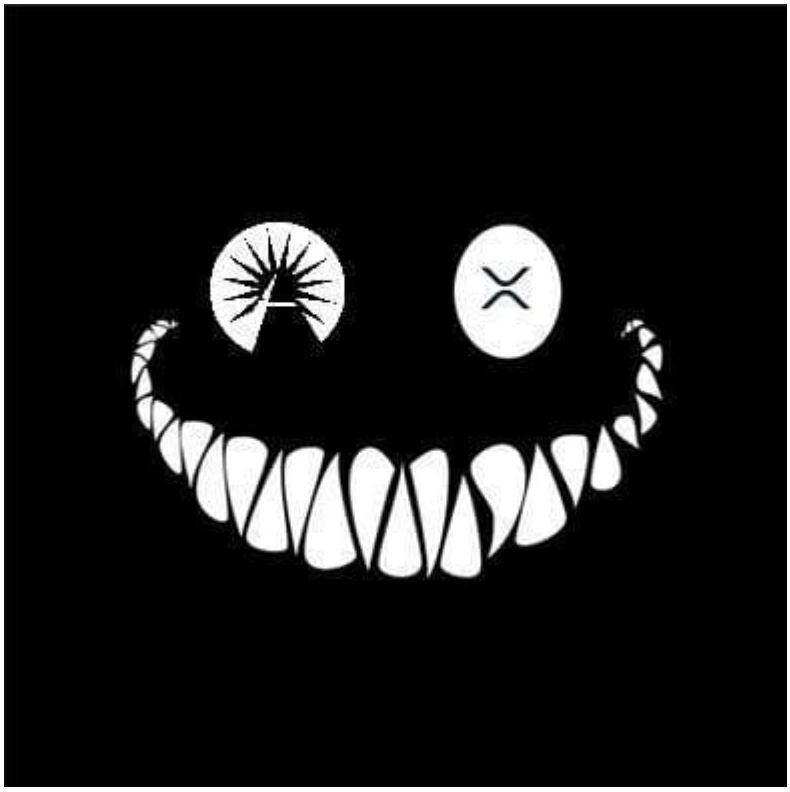

@ripple_crippler

And smile XRP-eyed faces also appear related to Egypt. In particular, to the Eye of Horus. https://t.co/i4rRzuQ0gZ 5/*

The right eye was associated to the Sun, as you can see in the previous image; and the left eye was associated to the Moon. If XRP is in the left eye, then, it means XRP on the Moon. So, XRP huge price increase, or the point were you're happy on the Moon due to the XRP price. 6/*

Horus

Horus was the ancient Egyptian sky god who was usually depicted as a falcon, most likely a lanner or peregrine falcon.[8] His right eye was associated with the sun god, Ra. The eye symbol represents the marking around the eye of the falcon, including the "teardrop" marking sometimes found below the eye. The mirror image, or left eye, sometimes represented the moon and the god Djehuti (Thoth).[9]

The Eye of Hours also called "wadjet" (an many more) is connected to the economy in Gematria. 7/*

How much is wadjet in Gematria ?

The pirate Cryptographer-1 also suggests that an "x" in an eye means XRP. 8/*

The pirate Independent-developer-1 also suggests that an "x" in an eye means XRP. 9/*

So, in Mr Pool smile XRP-eyed faces also mean XRP huge price increase, XRP on to the Moon. 10/*

Same here, more similar even to the ones Ripple Crippler used to post. 11/*

@bearableguy123 said "Keep your i on the prize". Keep your i/eye/XRP on the final result/prize and in the wallet/cup, not sell your XRP due to the current price, do not associate XRP with current price (before and now). 12/*

In the Bible, Matthew 6:22, the eye is metaphorically the soul of the body. Then, if your eye is XRP, XRP is metaphorically the soul of your body. 13/*

The Lamp of the Body

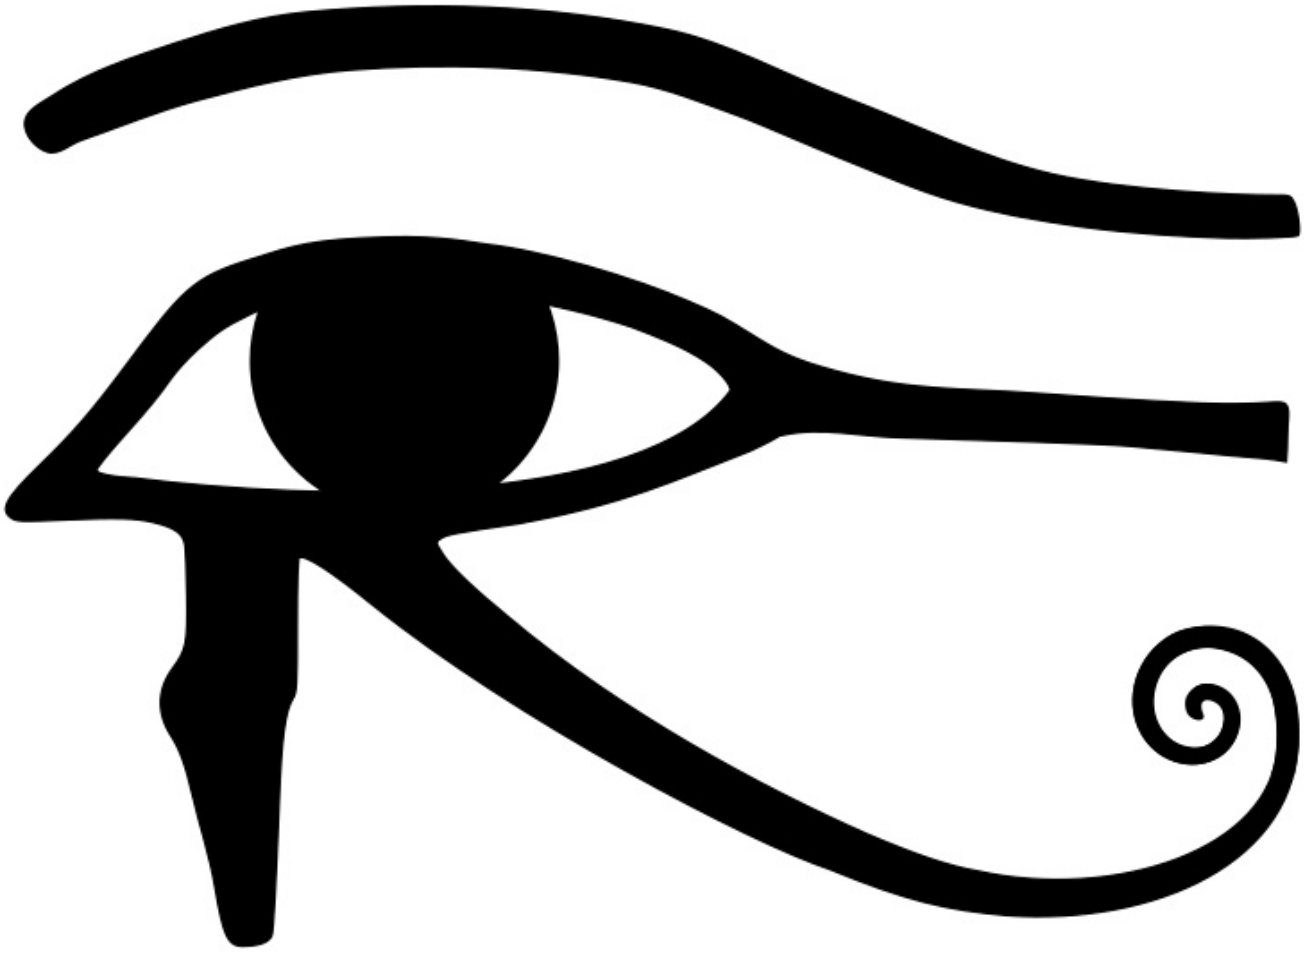

21 For where your treasure is, there your heart will be also. 22 The eye is the lamp of the body. If your eyes are good, your whole body will be full of light. 23 But if your eyes are bad, your whole body will be full of darkness. If then the light within you is darkness, how great is that darkness!...

In the Bible, Matthew 6:21, the heart is metaphorically the soul. Let's say the soul is the mind, the consciousness. Your soul/mind/hearth is where you put value. Then, if you put the value, your heart, your mind, in XRP, it transforms itself in a spiritual thing. 14/*

The Lamp of the Body

21 For where your treasure is, there your heart will be also. 22 The eye is the lamp of the body. If your eyes are good, your whole body will be full of light. 23 But if your eyes are bad, your whole body will be full of darkness. If then the light within you is darkness, how great is that darkness!...

All this can seem strange, of course, I know, but XRP being something spiritual could make sense if changes that are happening and have to happen have also an spiritual dimension, if there is a new Spirit of the Age, the Zeitgeist, and the hearth is digital money or XRP. 15/*

If nothing happens in January (1/23, 1/24, 1/25, 1/26, 1/27, 1/28, 1/29, 1/30, 1/31) and we keep moving dates ad hoc, haha, then we have February 12-14, 2021, a date that I deduced in July 2020. 16/*

The February 2021 variation
(Posted on July 19, 2020: https://twitter.com/carlins94809827/status/1284884586997194752)
March 13 +335 days gives February 11, 2021.
July 4 +223 days gives February 12.
October 22 +113 days gives February 12.
So, something at some point around February 12 (Friday) to 14 (Monday), 2021.
