1/ Get more done by doing less.

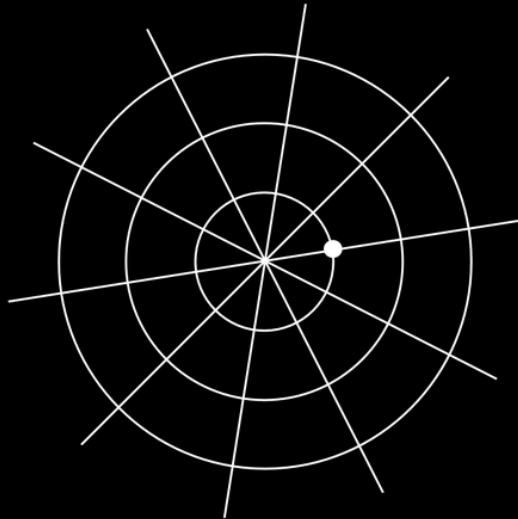

2/ You can't get better unless you get started.

3/ Zoom out. It's getting better. (IP via [@behaviorgap](#))

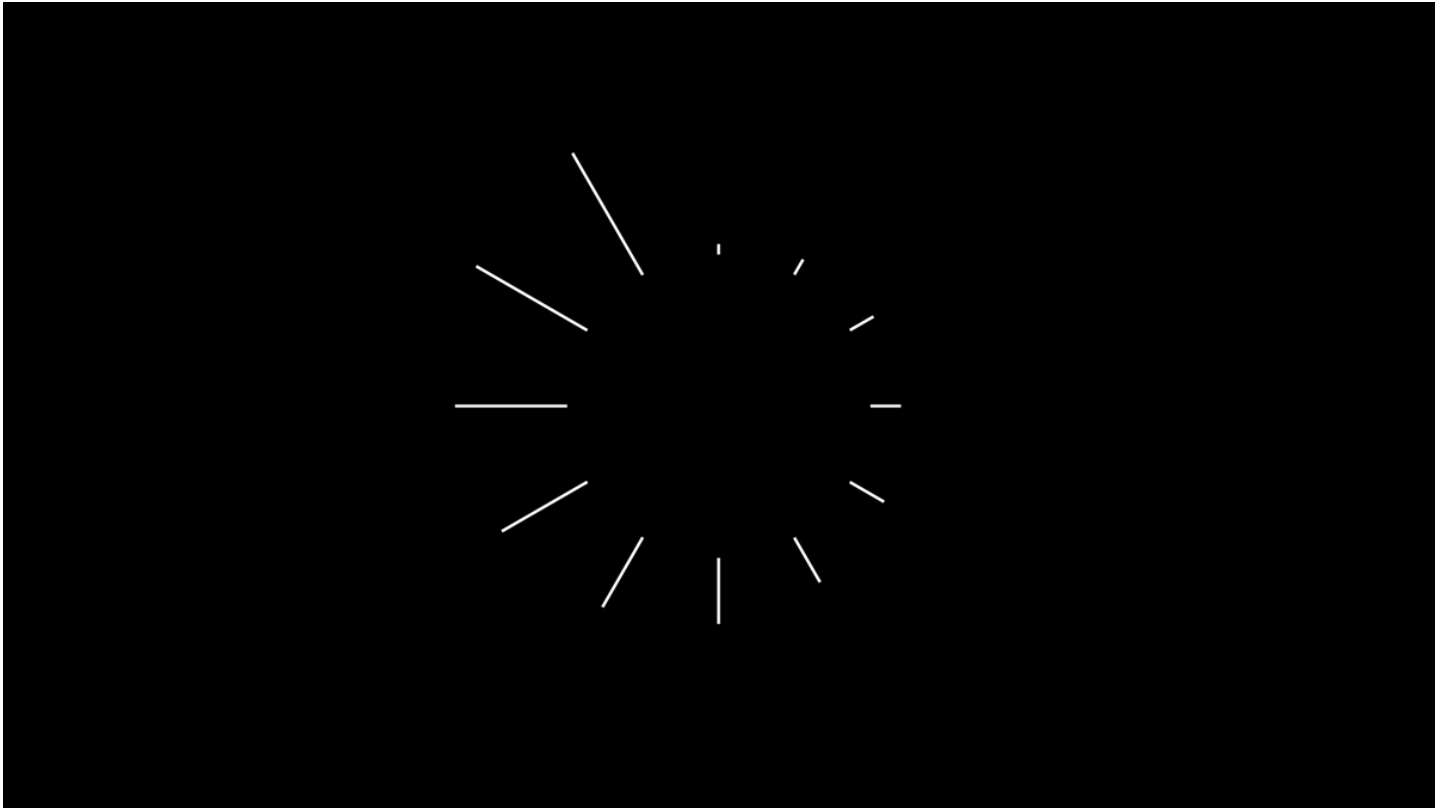

4/ 'Normal is an illusion. What is normal for the spider is chaos for the fly.' — Charles Addams

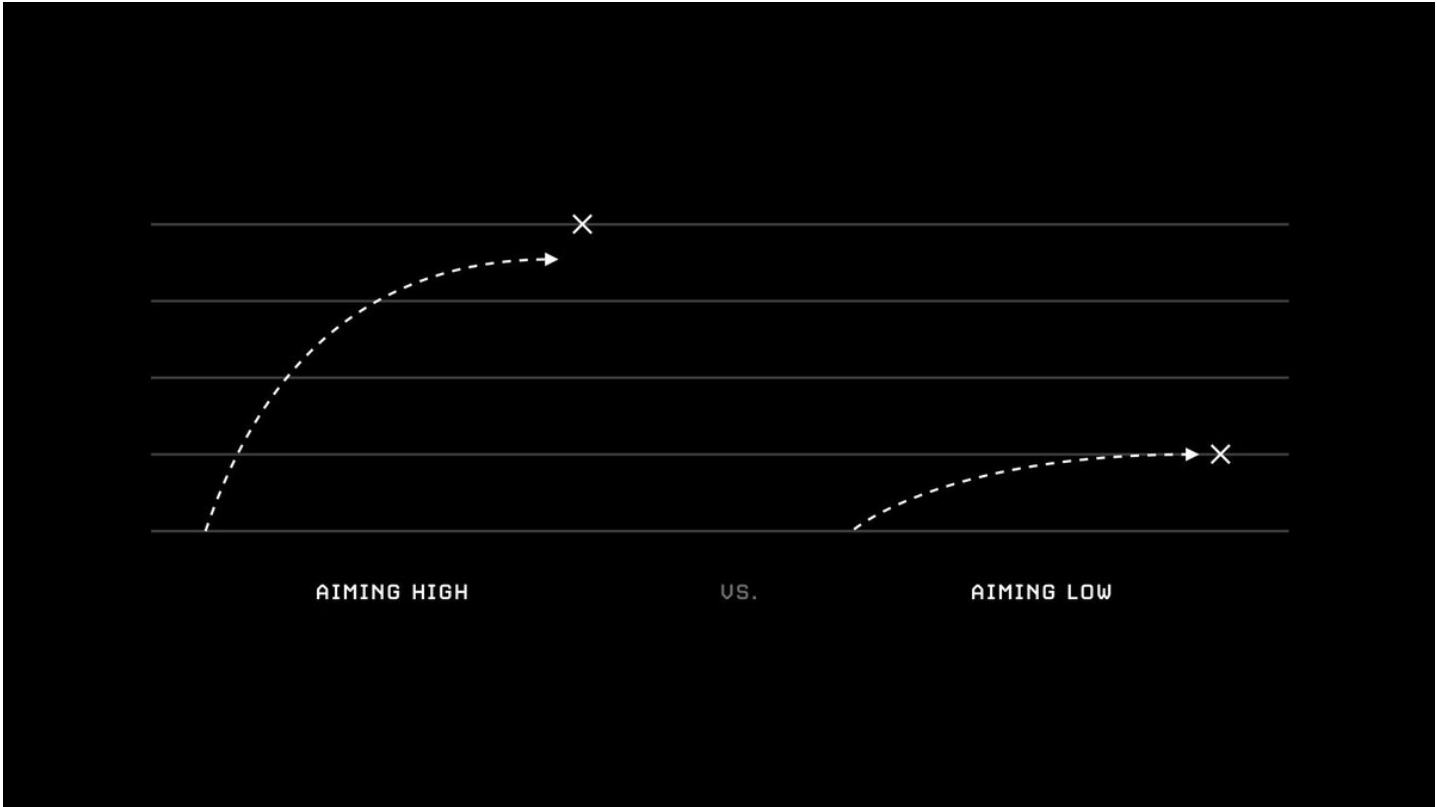

5/ No one owes you anything. Figure it out.

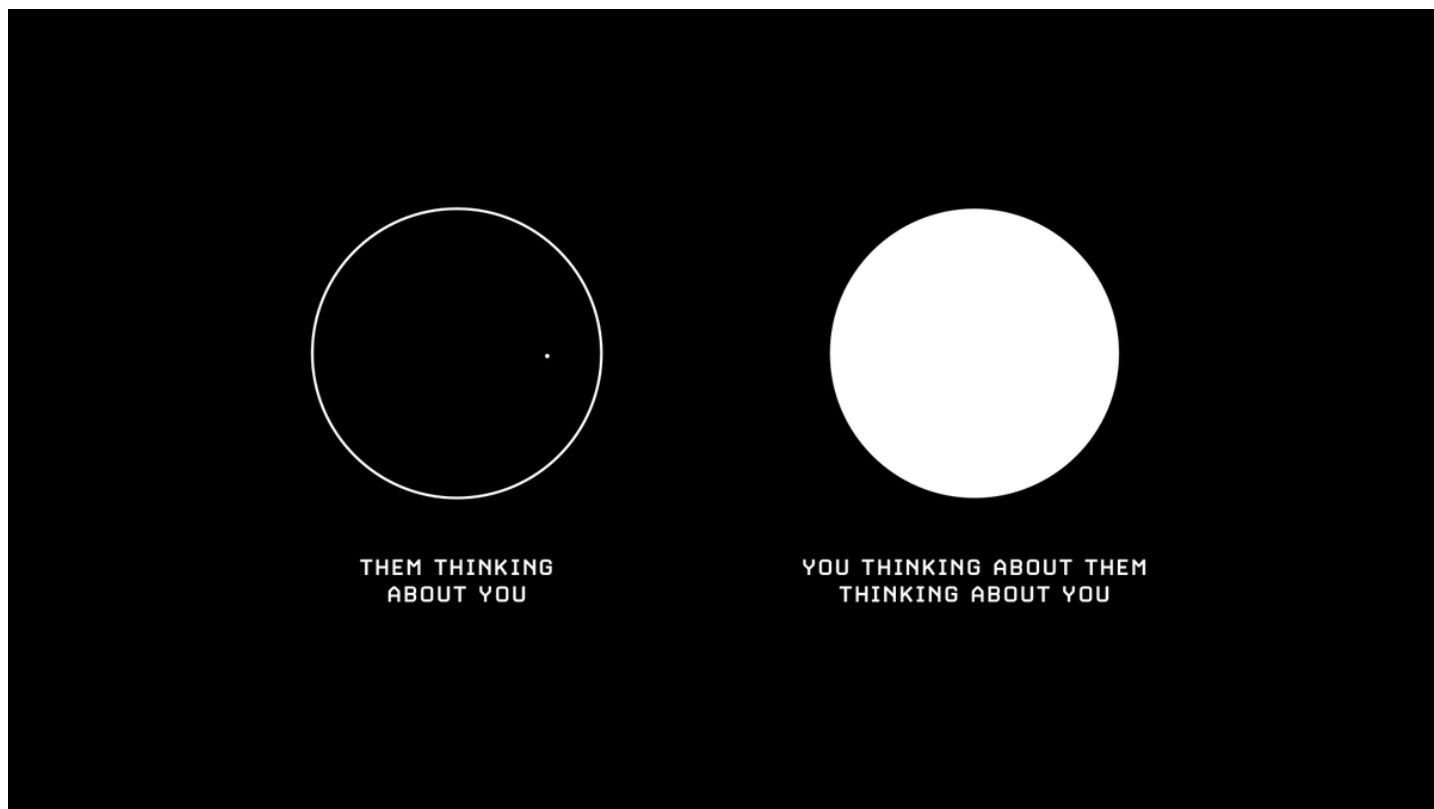

6/ Invest time now, earn time later.

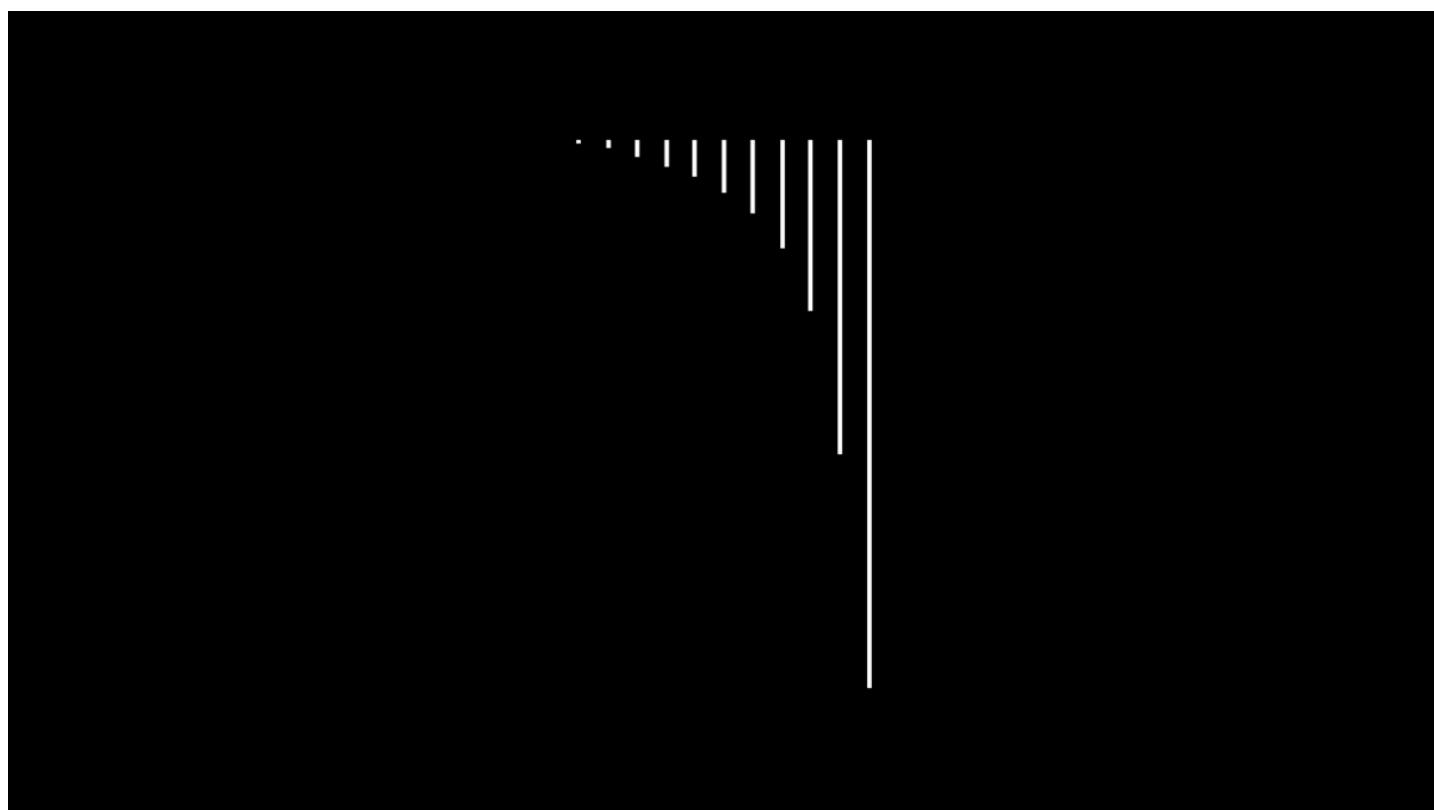

7/ If it's too easy, you're leaving opportunity on the table.

8/ To get nowhere, obsess over what other people think.

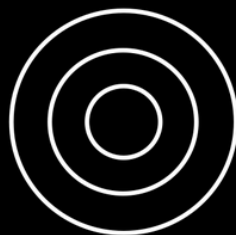

9/ Bad decisions compound faster than good decisions.

10/ Shoot.
