**Lal Pathlabs - that is why never book your profits at the target and keep trailing.  
Stock gave a natural reaction and bounced back again. <https://t.co/vDxOM9Xh8O>**

Lal Path Labs - IH&S can also be a continuation pattern. The stock is in a constant uptrend. You should always be biased for a 'buy' in these counters.

Two consecutive Double top buys in PnF 1%\*3 Box size and reversal.
