Drug policy is a complex area

It falls across social, health and criminal justice areas

I will leave the question of what Scotland is capable of in terms of devolved powers and what is reserved at Westminster

I just want to focus on "SNP cuts"

> These statistics are dreadful and heartbreaking. Every death is a tragic loss of life that could have been avoided.
>
> Drug deaths have doubled in a decade, and there's no doubt that the SNP's cuts to drug rehab and addiction programmes have a large part to play. https://t.co/MkmCFRAvir
