1. HUGE DISCOVERY!

What would have been exposed if @GenFlynn hadn't been impeded by corrupt FBI, DOJ and the Obama White house?

He'd have exposed CHINA and their laundering of IRANIAN OIL MONEY!

A deep dig covering years of research. This is going to take you committing some real time to get through. What's THIS all about?

A coup. Murder. Treason. Laundering gold for Iran...I think it will blow your mind.
