The great replacement isn't a conspiracy theory, it is the inevitable outcome of non-stop immigration of populations whom do not wish to assimilate and have way higher birth rates than the native population... It's purely a mathematical reality.

Harvard University Jewish Professor teaches freely

"Abolish the White race by any means necessary"

Imagine a Christian Professor teaching "Abolish the Jewish race", he would be fired, maybe jailed, and all the mainstream media will talk about him for six months

" Whiteness **is a form of racial oppression.** Treason to whiteness **is loyalty to humanity.** The goal of **abolishing** the White race **is** on its face so **desirable** that some may find it hard to believe that it could incur any opposition **other than** from committed White supremacists. The task is to **bring** this minority **together** in such a way that it **makes** it **impossible** for the legacy of whiteness to **continue** to **reproduce** itself. " ~ PROF. NOEL IGNATIEV

Abolishing whiteness has never been more urgent

Noel Ignatiev showed us how.

These arguments are laid out by Ignatiev and other like-minded scholars in the journal [Race Traitor](#), established in 1993 “to run the film backwards, to explore how people who had been brought up as white might become unwhite”.

With a masthead that declared “Treason to whiteness is loyalty to humanity”, and whose first words in its first issue urged readers to “Abolish the white race – by any means necessary”, it was obvious what the political and scholarly aim of Race Traitor would be.

“ The ultimate goal is the forcible-coordination of all countries of the world: That shall be achieved by **mixing the races with the goal to create a light brown race in Europe.** For that reason 1.5 million immigrants from the third world shall migrate to Europe every year. **The result would be a population with an AVERAGE IQ OF 90** that is so dumb to grasp anything but intelligent enough to work. The European countries would **NEVER AGAIN BE COMPETITORS** in the struggle for global domination and a multiple millennia old culture **would be destroyed.** Irrational people who will fight against this “mingling of races”, and put up any resistance against the global world order, **should be killed.**” ~ Thomas P.M.
