Teachers and teachers unions had the worst 2020 of anyone.

They've destroyed all public trust in them.

No longer will they be sympathetic figures struggling to help our kids.

They are now literal enemies of youth.

This tweet is about to enter orbit.

https://t.co/iyUKg3vy0X

> I\u2019m a teacher and unfortunately I agree... most of my coworkers fit that profile and the union? Ughh they are worse! Keep in mind that there\u2019s a bit of good ones though
