Farmer Protests VS 370Abrogation.

Farmers from Panjab(Sikhs) are protesting against New Farm laws & see how politicians,Celebrities &everyone from Panjab are supporting &Standing behind them .Everyone is trying in his/her own capacity whatever he/she can done to help farmers.+

Union Minister(Harismat Kaur) resigned from cabinet in protest against farm laws.
Former CM of Panjab(Prakash Badal) returned his Padma Vibhushan Award in protest.
SAD has withdrawn from NDA alliance & Panjab Assembly has passed resolution against New farm laws.++

What my whole point is "See How they are fighting against these laws United & are getting support from every single person within & outside Panjab.++

370 Abrogation
Modi Abrogated 370 in JK & locked up people of Kashmir like animals almost for a year. Modi turned Kashmir into a prison for a year & no one was there for Kashmiris to raise their voice. Not even a single MP from Kashmir has resigned in protest so far. ++

No politician from Kashmir has even tried to hit on streets for protests. In fact during this one year Some politicians(Altaf Bukhari) launched their own political parties for their personal vested interests, some have quitted(Shah Faisal) like cowards. ++

Few Months ago politicians like Mufits & Abdullaah were shouting that No one will participate in any election in Kashmir till 370 gets restored,no will will hold tricolor in Kashmir till they don't return us back what they snatched away from us on ++

5 August 2019. Few weeks ago Election commission decided to hold so called DDC elections in Kashmir & these Conscienceless Kashmiri Polticians within no time has decided to participate in These elections.
It is because of their greed for power we common Kashmiris are suffering ++

since decades. They have almost 5 MP in both houses of parliament (NC 3Ls , PDP 2RS) & all were present in house on 5August except Farooq Abdullah,not even a single one has resigned in house in protest &all stayed In delhi for months when common Kashmiris were being killed & ++

blinded in Kashmir. Power greedy People like them are responsible for what Kashmiris are going through since decades. Kashmir Politicians never worked for the resolution of Kashmir issue, they never wanted the settlement of Kashmir issue. They are always waiting for ++

opportunities to make money & grab Power.
They have killed 1000s of innocent Kashmiris to satisfy their greed for power & money. ++

Kashmiris politician doesn't want resolution to issue of Kashmir because if Kashmir issue gets resolved it will end their business of Money & Power once for all in Kashmir.
All they care for is Only Money & Power.
