Since Farmers protest, Troll Army has been hyperactive digging out old and unrelated vidoes/images and linking it to Farmers protest to demean the protesters. Just like they did for CAA/NRC protesters in Dec-Feb.
Here are a few #AltNewsFactCheck

A photo that predates both the farmers' protest and the introduction of agricultural reform ordinances approved in June was falsely shared as Muslim man disguised as Sikh to participate in the agitation. #AltNewsFactCheck

@MrsGandhi

No, he is NOT a protesting farmer, he is Nazir Mohammed, political worker of the Social Democratic Party of India. He was only "dressed" like a Sikh farmer and was creating chaos in the name of #FarmersProtest in Haryana. Busted!!!
