This year has been quite something.

But let's try to pick some of the most clownish stories this year had to offer.

Here's to 2020's end of year thread 1/50

Have you got a license for that opinion?

At least academics remain the same.

3/50

And Sweden didn't change

4/50

Don't have much to say about this one

5/50

Checks out

6/50

History has to be erased because it fails to stand up to progress.

Medical professionals revealing all

10/50

You must be unhealthy - it's the current year.

11/50

Empowerment has taken on a different meaning

12/50

Will quality suffer in the future?

13/50

Mask off mode

14/50

A healthy body image is problematic

15/50

...

16/50

A very weird hill to die on

17/50

A real heartbreak

18/50

Crosswords are bigoted

19/50

Some problems require different attention.
