Kai: I miss you guys too! I like you guys so much too! wo ye shi (in chi!) If everyone leaves comments, I will look through them anytime! Now I'll intro you guys the broadcast! Today I'll play FIFA 21! Today and last bc is diff, if I win add 3 points,

stop play 1 point,

and once I play all 3 rounds, if I get below 3 points in total I'll have to be punished, because of last time, we have no choice but to play the games like that, after I play games I'll ans fans' qns, so don't go away! @weareoneEXO #EXO #■■

Kai: Actually I practised, but I didn't play enough, all the rounds I didn't win one ■
