In a since-removed post on r/wallstreetbets, Redditor called for protest at SEC HQ in DC at 2pm (less than a half hour from now).

I will head there now and report back if anything happens there.

Honestly, if a single person shows up, I'm livestreaming.

> Y\u2019all they\u2019re on Reddit organizing protests against Robinhood in both DC and the bay today \U0001f440\U0001f440 pic.twitter.com/gCumBL93Rs
