Dream
@Dwimepon

the new tabletop simulator update.... oh no

hey @BerserkGames, please hire freelance translators instead of doing whatever the fuck you're doing

oh god

mais je gueule

press V to pâte

MON JEU EST QUEBECOIS A L'AIDE

je repense à mon père qui me disait que les traducteurs allaient devenir obsolètes dans les années à venir parce que les machine TLs étaient devenues super développées

tag yourself je suis évèque noir

THEY TRANSLATED "GO" AS IN THE GAME AS "TO GO" OKSQJIQSIJOQSJOIQSJOIQSJOIQSJOPIQSJOPQSO

AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

YEAH SURE, JASON HENRY ISN'T THE LEAD, HE'S *MADE* OF LEAD. HE'S A LEAD MAN

okay I'm going to stop here but again, @BerserkGames, please don't do that. Ask for translators on social media and I'm sure you'll actually find TONS of freelancers ready to work for you

also hey, shameless plug but: if you see that and want your game translated in french with words that make sense, i'm available for freelance work!
