**@TadeuszBorowski @AnnaPembroke @pritipatel @UKLabour Talk about hypocrisy!**

**THAT is some turning of the truth!!!**

**So he didn't have a visa for the *#USA***

**And used someone else's real passport**

**Yet *#WE* prosecuted him**

**The point you are "rebutting" is how many illegal immigrants to *#THIS* country do "#WE" prosecute FOR THE SAME?!**

@Pady_oFurniture @TadeuszBorowski @AnnaPembroke @pritipatel @UKLabour We don't prosecute people entering THIS country using a relatives passport "accidentally"

We don't prosecute people for ADMITTEDLY DELIBERATELY entering THIS country without the right passport to "test" the system

In fact #Channel4akeNews had a whole programme (series?) of it!

@Pady_oFurniture @TadeuszBorowski @AnnaPembroke @pritipatel @UKLabour Was anyone at or on the #Channel4 programme prosecuted for illegally entering the country

Attempting it

Or aiding & abetting it

And that's ON TOP of the THOUSANDS of illegal immigrants who illegally enter the country without the correct or even ANY legal travel documents

@Pady_oFurniture @TadeuszBorowski @AnnaPembroke @pritipatel @UKLabour Or through correct legal entry points

Illegal immigrants don't just enter country without correct or any travel documents

Many (most?) don't go through customs or passport control

And not only do they not get prosecuted for it

The "liberal" left insist it's not a crime either

@Pady_oFurniture @TadeuszBorowski @AnnaPembroke @pritipatel @UKLabour Similarly the "liberal" left in US insist if you enter US illegally it's not a crime

But also dispute authorities claim any illegal immigrant trying to get through immigration hasn't "entered" the USA yet & so not entitled to US constitutional rights

AIUI #TommyRobinson hadn't

@Pady_oFurniture @TadeuszBorowski @AnnaPembroke @pritipatel @UKLabour As I understand it #TommyRobinson hadn't actually even "entered" USA on that basis

He didn't completely go through immigration as he thought he'd been rumbled & caught a flight back

So why were *#WE* prosecuting him for a *#US* crime he didn't commit

And *#WE* don't prosecute!

@Pady_oFurniture @TadeuszBorowski @AnnaPembroke @pritipatel @UKLabour So why did *#WE* prosecute #TommyRobinson for a crime he didn't commit in the *#USA*

When we don't prosecute thousands of others for doing it here

AND "liberals" here & in US say ISN'T a crime anyway!

But you all wet your knickers over #Tommy getting convicted of it?!!!

@Pady_oFurniture @TadeuszBorowski @AnnaPembroke @pritipatel @UKLabour Some more of YOUR & THEIR stretching of truth:

His conviction for cop on piss with mates deciding to interrupt a VERBAL argument between #TommyRobinson & his future wife with a rugby tackle from behind was because during the execution of it the drunk cop headbutted #Tommy's boot

@Pady_oFurniture @TadeuszBorowski @AnnaPembroke @pritipatel @UKLabour That conviction incidentally led to loss of access to his airside aircraft maintenance apprenticeship & so a normal well paid career

Some more of YOUR & THEIR stretching of truth:

"Masterminding" 2 "serious frauds" was ONLY thing authorities could find after MONTHS of trawling!

@Pady_oFurniture @TadeuszBorowski @AnnaPembroke @pritipatel @UKLabour Your "Masterminding" two "serious frauds" was ONLY thing authorities could find after MONTHS of trawling not just through all #TommyRobinson's affairs but his whole family's!

What you & other "liberals" "forget" to say it was the heinous crime of victimless MORTGAGE "fraud"!!!

@Pady_oFurniture @TadeuszBorowski @AnnaPembroke @pritipatel @UKLabour #TommyRobinson was "guilty of "crime" of #MORTGAGEfraud which EVERYONE that gets help with deposit from bank of mum & dad without declaring it is guilty of

EVERYONE that adjusts their self-employed income or overtime & expenses claims to boost their apparent income is guilty of

@Pady_oFurniture @TadeuszBorowski @AnnaPembroke @pritipatel @UKLabour No doubt many if not most of the cops & robbers sorry lawyers & judges guilty of stitching up #TommyRobinson have been guilty of #MORTGAGEfraud

Including MP #PeterMandelson & lawyer & MP Geoffrey Robinson

Did any of those get prosecuted

Never mind bankrupted with fines

Err NO
