CRIMES AGAINST HUMANITY.
Q

Let the truth be told.
Political spying [illegal] less than 1%.

Have faith in Humanity.
Q

Strengthen my faith, Lord. Forgive my sins, so that I may be clean in your righteousness. Make me brave, so I can stand and fight the spiritual battles in my life and in our world. Give me your wisdom and discernment so I won't be caught off guard. Together, Lord, we'll win,

because in truth, you already have. While evil still roams, the power of Your name and Your blood rises up to defeat and bring us victory against every evil planned against us. While malicious actions may disturb us, we use the armor of God You have given us to stand firm.

You will bring justice in due time for all the harm and needless violence aimed at Your children. Until then, we remain in Your presence, aligned with Your purposes, and we look to You as our Supreme Commander and Protector. Help us to avoid temptation,

and deliver us from evil, Lord. You are the Mighty One, the One Who will ultimately bring all evil to light. With You, Jesus, we are safe. Amen.

Fear not.
You [we] are not helpless.
Enough must see.
It is the only way.
You are being presented with the gift of vision.
Ability to see [clearly] what they've hid from you for so long [illumination].
Their deception [dark actions] on full display.
People are waking up in mass.

People are no longer blind.
Do you think it's a coincidence they banned and prevent you attending Church _house of worship?
Anti-American.
Anti-God.
One must only look to see.
Have faith in Humanity.
Have faith in yourself.
Let light guide you.
Find peace through prayer.

Q

THESE are the times that try men's souls. The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands by it now, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered;

yet we have this consolation with us, that the harder the conflict, the more glorious the triumph. What we obtain too cheap, we esteem too lightly: it is dearness only that gives everything its value. Heaven knows how to put a proper price upon its goods; and it would be strange

indeed if so celestial an article as FREEDOM should not be highly rated. – Thomas Paine
Q

Will we be a free nation under God?
Or will we cede our freedom, rights and liberty to the enemy?
We all have a choice to make. .
Evil [darkness] has never been so exposed to light.
They can no longer hide in the shadows.

Our system of government has been infiltrated by corrupt and sinister elements.
Democracy was almost lost forever.

Their thirst to remove your ability to defend yourself serves to prevent an uprising to challenge their control.
There is a fundamental reason why our enemies dare not attack [invade] our borders [armed citizenry].

If America falls so does the world.
If America falls darkness will soon follow.
Only when we stand together, only when we are united, can we defeat this highly entrenched dark enemy.
Their power and control relies heavily on an uneducated population.

A population that trusts without individual thought.
A population that obeys without challenge.
A population that remains outside of free thought, and instead, remains isolated living in fear inside of the closed-loop echo chamber of the controlled mainstream media.

This is not about politics.
This is about preserving our way of life and protecting the generations that follow.
We are living in Biblical times.
Children of light vs children of darkness.
United against the Invisible Enemy of all humanity.

"The People's Republic of China has 2 million strong in its military, and it's trying to make them stronger through gene editing, and that's just one of the ways that China is trying to essentially dominate the planet and set the rules and the world order," he said.

"People need to understand this is an authoritarian regime. It doesn't care about people's individual rights. We've seen what they've done to the Uighurs. We've seen what they've done in Hong Kong. It's about putting the state first,
