BECOME COMFORTABLE with the words I DON'T KNOW!!

I say this on my tours, we 'know' very little. In fact, we know nothing. I don't know is honest!! It's humble, and its real.

In Egypt there's too much to know, so 'we don't know' is the truest statement there is. <https://t.co/lajqsQGdJ8>

Another reminder to relax and trust the journey. Become comfortable saying "I don't know."
