How Deep Does Censorship Go In Ireland ■■ ?

1.I have to admit to never really thinking about this until a few weeks back. Then my eyes were really opened and when I say deep, I really mean deep.

■ 1/13

2.About 6 weeks ago I wanted to try and get some leaflets printed out to distribute to people to inform them of the facts instead of the rubbish that is being spouted by the Govt, NPHET & The Media. These leaflets were in no way controversial.
