Remember KP Yohanan?
Man behind #Sabrimala & whose NGO ws exposed in recent IT crackdown?
KP cld be connected to "killing" of Malayali journo, SV Pradeep--a man who hd crossed swords with Kerala CM & every Political party.
I hope central agency @NIA_India is aware of it. https://t.co/DyplfAU0Zj

Journalist Pradeep's family alleges foul play behind fatal accident

The family and friends said they believe that the accident could've been staged by those who were hurt by his work.

SV Pradeep hd exposed a huge racket-- which he called the COFFIN racket (shava petti racket in malayalam). He apparently hd proof that KP's organisations wr running 20-25 crematories, and that the bodies turned into ashes in these places, wr UNACCOUNTED for.

But y?

SV pradeep ws killed in a hit & run case, on 15th Dec 2020.
This journo hd locked horns with almost every POLITICAL party in Kerala. He ws known for being one of the most brusque journalists in Kerala.
Bt he hd hurt commies & KP the most, with his reports.

4/8
In this youtube report■ of Pradeep he hd exposed KP Yohanan, bt this ws not the 1st time he hd reported on KP.
He hd been doing it since sometime.

So why wld one suspect KP when Pradeep hd myriads of enemies?

https://t.co/lZxrvZ6RxU

5/8 It ws the TIMING of his killing which makes one suspicious. He ws killed during the LOCAL body elections in Kerala. No POLITICAL party wld want to commit suicide by getting rid of a nemesis during elections or immediately after that-- not even the commies!!!

6/8
The COFFIN racket exposed by SV Pradeep shld not be ignored by the central agencies like @NIA_India.
Which dead bodies get cremated in the crematories run by KP and his org?
why are the dead bodies unaccounted for?

SV Pradeep's past reports on this need to be revisited.

The CCTV pictures of SV Pradeep, moments b4 he ws hit by a truck, and the bike which was following him needs to be investigated too.
Many publishing houses hv pointed out that the truck hit him with the intentions of bumping him off.

8/8 The popular theory behind his death is commies hd a hand. I believe going by the exhilarated reactions of commie leaders on SM, they wr NOT directly involved. That leaves an organisation which suffered massive damage in reputation bcoz of him. No points for guessing!

Many associate the above case with Kerala GOLD smuggling case.
I won't go by it.
That theory is a mere distraction!

Oh! I forgot to mention a word that SV pradeep had mentioned in his report-- ORGAN transplantations and deaths associated with it.

The gist of the above thread. https://t.co/2aXXPxL6K5

> Organ Transplantation racket!!!
> Central agencies must investigate. The reporter who reported it is DEAD.
> His death is being linked with #GoldSmugglingCase.
> Bt I think that's a mere distraction.
> The journo hd been reporting on the organ transplantations & crematories since long. https://t.co/bxX6cIlHep
