@DrDannielle

Is this Ezra Cohen Watnick asking for help, was this a hack?

@W71013 @3days3nights @NSA_QIL2 @DJLOK @cjtruth @CodeMonkeyZ @Millie__Weaver @PFC40Book The “E” account on Parler is sending SOS signals. Please check out the screenshots here. Many say it’s fake but I think it’s real. If real, not yet safe. Chester WV.

I am monitoring this.

“E is now safe” as of 11:45 pm Eastern - not E saying it.
