For some of us that are yet to see an ✈️ not to talk of boarding one, these Buhari's new trains (Ibadan/Lagos/Ibadan) are giving us that kinda vibes.. Obvious that work is still in progress... I can't wait to share my experience. Thank you [@MBuhari](#) | [@ChibuikeAmaechi](#)

There's a lot of emphasis on time even while buying tickets...

They left at exactly 8am

For the unfortunate ones that like to throw local jobs at Ibadan, does your city have a functional rail station?

Se Buhari fùn yin ni train

We have just arrived the 'ongoing' Abeokuta Train Station, Ogun State to pick more passengers....
Guess who I saw... Our own Nobel laureate, Prof Wole Soyinka.

Another 'very brief' stopover at Papaa in Ogun State... You can see the ongoing works...

One of the value chains and good things about these inter states train stations is that the it opens up the communities around to opportunities. Somewhere in Ogun State...
