Megaphone Report for the Evening of January 4, 2021.

Morrison and the Liberal Party have already gone to the bunker.

Morrison continues to withhold the vaccine, according to Trotsky's 2nd Lovechild.

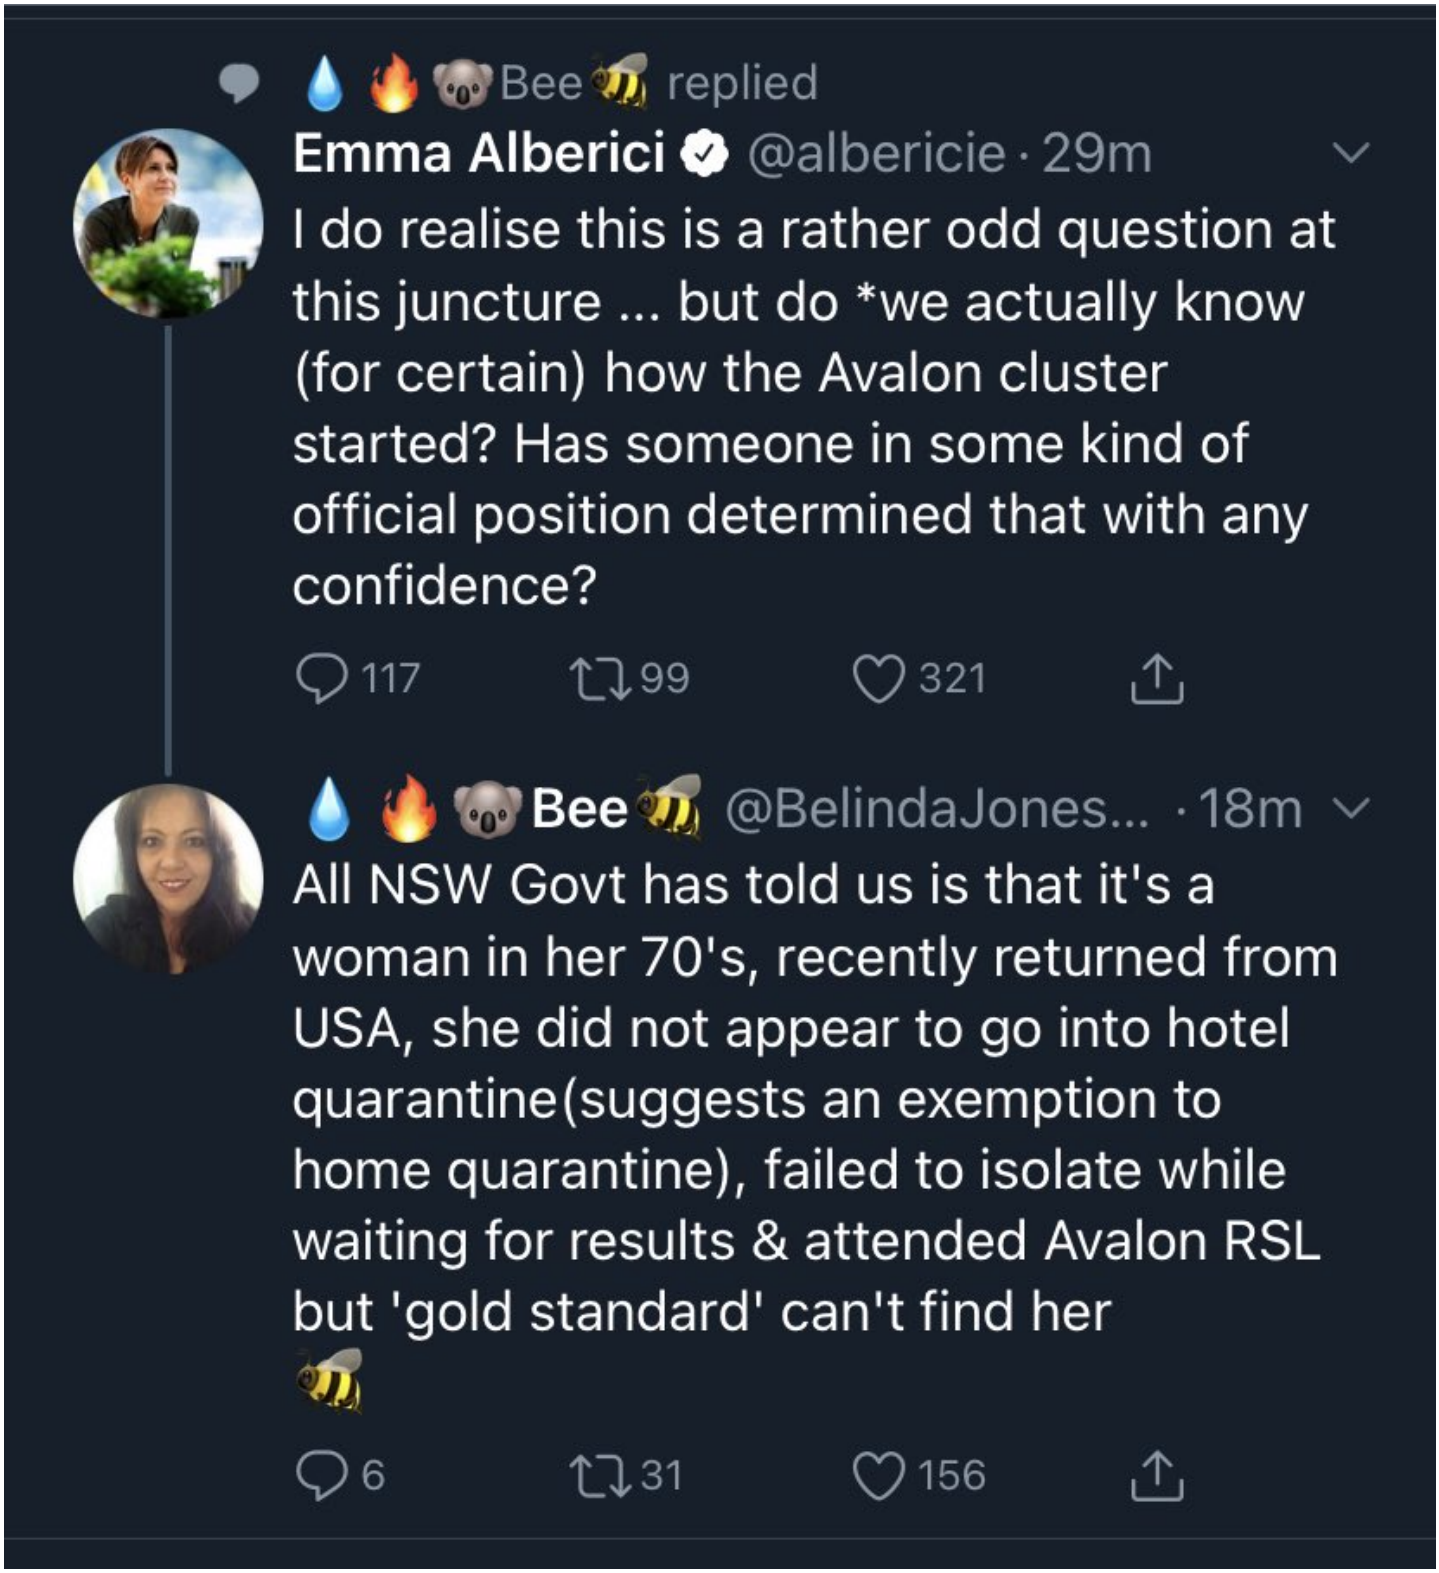

Australia's media continue to be utterly trash, according to the 256 people who liked this tweet today.

There is great unhappiness about ABC 730s interview with a family who went into NSW for a holiday.

A tweet from Emma Alberici - who has a blue tick - about the missing “Patient Zero” has caused a lot of excited replying from megaphone twitter.

Cricket Australia and the SCG Trust are intending to kill people.

This tweet from earlier comparing Hillsong to the Collingwood Football Club has been very popular today.

And that has been your Megaphone Report for this evening.
