Megaphone Report for the Evening of January 4, 2021.

Morrison and the Liberal Party have already gone to the bunker.

Morrison continues to withhold the vaccine, according to Trotsky's 2nd Lovechild.

Am I the only one who doesn't believe
Morrisum. I don't believe he is
withholding the vaccine until March for
safety reasons and I don't believe he
has any vaccines, more lies, same
old, same old. Anyone with me on this?

Why is the vast majority of media in Australia so utterly trash at their job????

Was there a certain event or series of events that led to this?

There is great unhappiness about ABC 730s interview with a family who went into NSW for a holiday.

"It was an incredible shock": Queenie van de Zandt made a trip to the NSW South Coast to see her family – but it became a mad dash to get home when Victoria closed its border to NSW. [#abc730](#)

A tweet from Emma Alberici - who has a blue tick - about the missing "Patient Zero" has caused a lot of excited replying from megaphone twitter.

I do realise this is a rather odd question at this juncture ... but do *we actually know (for certain) how the Avalon cluster started? Has someone in some kind of official position determined that with any confidence?

All NSW Govt has told us is that it's a woman in her 70's, recently returned from USA, she did not appear to go into hotel quarantine (suggests an exemption to home quarantine), failed to isolate while waiting for results & attended Avalon RSL but 'gold standard' can't find her

Cricket Australia and the SCG Trust are intending to kill people.

 **MFW** 
@MFWitches

The Sydney cricket test going ahead is evidence of corruption, immorality and a clear intent to kill people at the highest levels of the NSW and federal governments.

That's the tweet.
