## A short question thread for single pringles.

## Leggo.

1) Are you single by choice or by force?

2) Are you single all round abi you are only single online?

3) For how long have you been single?

4) Why did you end your last relationship?

5) Are you still emotionally stuck in your last relationship or you've moved on completely?

6) Are you ready to give love a chance in your life or you are still doing strong head?

7) Are you really ready to get into a relationship or you are just fascinated by the idea of it or is it relationship Twitter oppression that is getting to you?

8) Have you had time to reflect on your last relationship and maybe learn from it?

9) Have you had time to envisage what your ideal partner will look like going forward?

10) Crushing on someone on the TL? Tag them.

I fit help you enter their DM if you dey shy.

11) What has your time being single taught you about relationship?

12) Drop a sweet message for your future partner.

13) Tag a single pringle like yourself to answer this question thread.

14) Why you no wan get into relationship with that your single friend? Why?

15) Quote this tweet with your fine picture, your beauty might captivate someone.

16) I heard y'all single people give the best relationship advise, give a relationship advise to a relationship people

It is not bye bye, it is see you again.
