Thanks for joining the countdown show on WKRZ this sunny saturday afternoon. just getting ready to kick off here folks- Today's show is centered around Gloria. the local time is 1:42 and there's no traffic problems....

I don't know if you ever had to deal with the switchblade strife of being a runaway greaser in Tulsa Oklahoma or maybe you just read the book or saw the movie too.
First Up is Van Morrison with Glora.
Stay Golden, Pony Boy.

Today's Theme is Gloria. Most of the songs will contain Gloria in the title, either referring to a beautiful woman or Gods beauty in general. Here is one of those beautiful women named Gloria

What good is having a radio show of you don't spin this one for your listeners?

I'll end today's show just as I began.
The last two songs are the same song.
