If you pay close attention, notice that the media (for years) has been lumping ANYONE who questions the narrative with cue-anon. Do you question vaccines? Cue anon. Against the lockdown? Cue anon. Anti masker? Cue anon! They're even associating Christians with cue! Just like how the CIA made up the term 'conspiracy theorist' to make us sound clinically insane

@theycantsuicideusall2.0

But why? Because they are brainwashing people to HATE US! To want us gone! Between this lockdown, what happened at the capitol and what might happen on Inauguration Day, the 'conspiracy theorists' are going to be blamed for ALL of it. Even people you know are going to want us gone. You think they emptied the prisons for the elite? That is absolutely laughable at this point and it couldn't be more clear where they are going with this. The truthers have said several times that cues messages aren't against the elite, they're against US! 'Soon they won't be able to walk in the street'. 'Nothing can stop what is coming.'

‘Pastel QAnon’ Is Infiltrating the Natural Parenting Community

There’s long been a link between those who distrust hospital births and those who distrust vaccines — but

Reddit has an entire section called ‘Qanon Casualties’. This is the one of VERY MANY examples that they have of associating cue with evangelicals. Take a look for yourself, they use this to lump ALL of the ‘conspiracies’ together

Whereas, according to the Combating Terrorism Center at the United States Military Academy at West Point, "QAnon is arguably no longer simply a fringe conspiracy theory but an ideology that has demonstrated its capacity to radicalize to violence individuals at an alarming speed";

Whereas Facebook, Twitter, and Google have removed or blocked QAnon groups and content from their platforms for violating their policies against misinformation, bullying, hate speech, and harassment;

Whereas QAnon adherents have been harming legitimate efforts to combat child exploitation and sex trafficking, including by overwhelming antitrafficking hotlines with false reports;

Whereas the conspiracy theories promoted by QAnon undermine trust in America's democratic institutions, encourage rejection of objective reality, and deepen our Nation's political polarization; and

Whereas our Nation's polarization is further accentuated by others, from the far left to the far right, promoting extreme ideologies and antigovernment conspiracy theories, hijacking legitimate peaceful protests, and encouraging followers to damage, deface, or vandalize local, State, and Federal Government properties and to attack law enforcement: Now, therefore, be it

Resolved, That the House of Representatives—

(1) condemns QAnon and rejects the conspiracy theories it promotes;

(2) condemns all other groups and ideologies, from the far left to the far right, that contribute to the spread of unfounded conspiracy theories and that encourage Americans to destroy public and private property and attack law enforcement officers;

(3) encourages the Federal Bureau of Investigation, as well as all Federal law enforcement and homeland security agencies, to continue to strengthen their focus on preventing violence, threats, harassment, and other criminal activity by extremists motivated by fringe political conspiracy theories;
