Father, we give you thanks this morning and we asked that our worship be acceptable unto you. Our appointed time for God's favor has come.

#ChurchGRA #GRAService #Restoration

It is God's will that we have favor. When we connect with favor, doors are opened unto you. Thank God for the privilege to be partakers of His divine favor.

#ChurchGRA #GRAService #Restoration #prayer

Decree that your time of favor has come. Activate the spirit of favor over your life. Unlimited connection with favor

#ChurchGRA #GRAService #Restoration #prayer

When God wants to favor you, He raises men for your sake. Ask God to quicken the heart of men to favor you. Ask God to navigate you towards people who have solutions for you.

#ChurchGRA #GRAService #Restoration #prayer

You will receive favor from unexpected sources this week and beyond. People you least expected will gather for your good. Favor will locate you this year.

#ChurchGRA #GRAService #Restoration #prayer

Just as Daniel found favor, ask God that you find favor in the sight of those that matter, in sight of decision-makers that would cause a radical elevation in your life.

#ChurchGRA #GRAService #Restoration #prayer

When God wants to favor you, He leads you. Ask for His leading and instructions and the grace to obey those instructions.

#ChurchGRA #GRAService #Restoration #prayer

Ask God for clarity of vision, of purpose. so that you can access all that God has ordained for you and at your disposal. You shall not miss out.

#ChurchGRA #GRAService #Restoration #prayer

You will lend to the nations. You won't borrow. Ask God to bless and prosper the works of your hands. That work that you do will yield an increase on all sides. May you experience favor this week.

#ChurchGRA #GRAService #Restoration #prayer

Ask God for His leading to unlimited success and favor all round this year. An ever-increasing success. No boundaries this year.

#ChurchGRA #GRAService #Restoration #prayer

Ask God to help you that you do not take the favor of God for granted. The blessings of God in your life will not disconnect you from God. Ask for empowerment to be obedient to God's word.
