The screenshot shows a web-based admin interface with a blue header containing navigation links: Reports, Forms, Sales Dashboard, and a search icon. The main content area is divided into a left sidebar with menu items like Products, Customers, Orders, Countries, Attachments, and Notes. The main panel displays the 'Customer #97' profile for Estrella Bradtke, including details like Country (US), Name, Email, Lifetime value, Type (Standard), and Email subscriber status (checked). Below the profile is a table of orders with columns for ID, Total price, Address line one, Address line two, Address city, Address state, Address zip, and Status. The table lists three orders with their respective details and status (Delivered or Pending).
