The Christmas Story (Luke 2 - New Revised Bogan Edition):

Back in the days of some Roman bastard named Caesar Augustus, he called out for a census or some shit, to count how many people the Romans had under their thumb. So everyone had to piss off back to their

own towns to do it. Shows how nothing's changed, at least they didn't have to deal with MyGov. Caesar was a bit of a dog cunt though.

So, Joseph hoofed it back to Bethlehem from Nazareth because that's where he was from, right? He had to take Mary with him, because she was his

defacto or some shit and she was knocked up. She had great fuckin' timing though, cos while they were in Bethlehem gettin' their names marked off by the Roman pigs, she decided that's where she was gonna pop her sprog! They didn't even have some you beaut section of highway for

sheilas to have their kids on. Mary did it rough, wrapped her kid in Joseph's fave Holden shirt and put Him in a manger cos no cunt had a room spare at the inn.

There were some blokes herding sheep out in the paddock near the inn, watching 'em so no bastard fucked off with

any of them while they slept. Then, out of nowhere, some winged bastard appears with light around them like it came from the PolAir chopper, and they were packin' it. But he yelled out "Oi cunt! No need to be scared, mate! I got some goss for ya! It's fuckin' great and

everyone'll fuckin' love it! Some sheila in Bethlehem just had a kid, bit of a big deal, he'll be like Eminem 'n shit, he'll save you, it'll be fuckin great! Go lookin' for a kid wrapped in a Holden shirt in a box"

...

Suddenly the angels mates all rocked up, the shepherds thought they'd eaten some bad mushies. They were all sayin':

Yeah, God's a bit fuckin' great
and you know who else is great? His fuckin' mates!

When the angels packed up their shit and pissed off back to heaven

the shepherds looked at each other, shrugged, and said "why fuckin' not, we got nothin' better to do than watch these woolly fucks. Let's go 'n see what all the fuss is about",

They took a hike to Bethlehem and found the baby in the Holden shirt, passed out in a box in a barn

When they had enough of a gander they went and stated tellin' every Tom, Dick, 'n Harry about what the winged cunts had told 'em. Everyone who caught wind of it was fuckin' stoked!

Mary sat down and had think about what was goin' on, probably punched a couple of cones, who knows

The shepherds got bored and decided to fuck of back to where they were from to tell everyone about the kid and how fuckin' sick God was.

Eight days later when his parents decided to name him, they did that thing where they cut his foreskin off and called him Jesus.
