Sir,

Our client, Miss Emily Wilbraham, instructs me to inform you that with the arrival on her premises at half-past seven this morning of the entire percussion section of the Liverpool Philharmonic Orchestra, and several of their friends, she has no course left open to her but to seek an injunction to prevent you from importuning her further.

I am making arrangements for the return of much assorted livestock.

I am, Sir,

Yours faithfully,

G. CREEP

Solicitor-at-law
