Frown your face, freeze your destiny!

Frown your face, freeze your harvest!

Joy is your highway to high places in life!

If you carry a long face, then your journey will be long!

If you're not excited you will be exempted or simply replaced!

Don't allow the look on your face to destroy the works of your hands! Rejoice and keep your harvest in reach!

Absence of joy confirms absence of gratitude!

Absence of joy confirms absence of faith!

Absence of joy confirms absence of victory!

Your joy is your miracle atmosphere!

Joy is revelation not provision!

The joyful are always victorious. The bitter are always beaten!

Merriment is a gateway to multiplication!
