I forced a bot to read over 1,000 hours of Things That Happened in 2020 and then asked it to write a list of Things That Happened in 2020 of its own. Here it is.

THINGS THAT HAPPENED IN 2020

After long one day election, United States voters voted Joe Biden to be America's 46th Tiger King.

A fire the size of Australia takes place in Australia. The police do not arrest the fire and so protests happen.

Research discovers Coronavirus originated with Zoom video call between sick man and sicker bat.
