This is NONSENSE. The people who take photos with their books on instagram are known to be voracious readers who graciously take time to review books and recommend them to their followers. Part of their medium is to take elaborate, beautiful photos of books. Die mad, Guardian.

> Beautifully read: why bookselfies are all over Instagram https://t.co/pBQA3JY0xm

THEY DO READ THEM, YOU JUDGY, RACOON-PICKED TRASH BIN

If you come for Bookstagram, i will fight you.

In appreciation, here are some of my favourite bookstagrams of my books: (photos by lit_nerd37, mybookacademy, bookswrotemystory, and scorpio_books)
