1. Record Permanent Funding for HBCUs. This includes setting up a special office for Black Colleges and universities in DC by Executive Order. This is something I previously expected 44 or a Democrat to get done.

@BonkersConquers 2.) Lifted a funding ban on religious based HBCUs. The HBCU Partners Act was drafted to comply with his EO, making HBCUs eligible to apply for federal funding yearly, to improve campus infrastructure. HBCUs were also awarded 100 million for farm research.
