Fast forward to today when I added Gold at 1850. It made a sharp-up move but didn't want to sell for the sake of hedging. The positions were scaled up around 1925 with the fresh SL of 1900.

So far doing good. 2000 is the level I would be looking for. <https://t.co/j1kiKRSx0y>

GOLD - 1 9 2 7 from 1 8 5 0

No indicators, nothing. Understand the language of the price. <https://t.co/l6pEGD7r6D> [pic.twitter.com/JWZjITLSBF](https://pic.twitter.com/JWZjITLSBF)
