PETITION FOR TEXAS SOVEREIGN ACTION

Dear @GregAbbott_TX As NBCs of the United States for the preservation of the Union we petition you to call up the Texas Constitutional Militia, resubmit your case to SCOTUS, occupy all assets of Chinese nationalists suspected of high treason!

With the Constitutional Militia Mustered, SCOTUS will hear you case! and the other Patriot States will take similar actions to preserve these United States of America as a government of the people, by the people and for the people with the right to 1 legal vote per 1 voter.

Never has #TEXAS had a cause so just and righteous, so patriotic, so universal. For as Christ teaches, when we see America beaten up on the side of the road, we cannot pass by like the hypocrite and pretend his wounds do not need caring for. (cf. Luke 10:25-37)

Moreover, as it is now public knowledge that #Scotus refused to hear the #TEXAS case out of prejudice, the implied contract of one citizen one vote is constitutionally threatened if the High court refuses to hear the case. Texas has the constitutional duty to uphold that right!

PETITION FOR SOVEREIGN ACTION OF #ARKANSAS #LOUISIANA #MISSISSIPPI #MISSOURI #SOUTHCAROLINA and #UTAH

to join #Texas in above constitutional redress authorized by the #10thAmendment and #2ndAmendment as solution to grave constitutional crises! (see top tweet in this thread)

PETITION FOR THE SOVEREIGN ACTION OF

#Montana #NORTHDAKOTA #SOUTHDAKOTA #NEBRASKA #KANSAS #OKLAHOMA #KENTUCKY #INDIANA #WESTVIRGINIA #TENNESSEE #FLORIDA

to join in the above petition to take action to preserve the Union against cabal of #Chinese traitors in Democrat party!

These actions do not constitute insurrection or rebellion, since they are made by the Constitutional observing states against the usurpation of the highest offices of the land by corrupt state officials nationwide who participated in the Dominion voter fraud

All these states should form a compact to allow their Constitutional Militia to transit and be quartered and take action as official police forces in each and all of the Several States so agreeing, in pursuit of traitors to the Republic, agents of China, & corrupt State officials

Finally, in accord with the #10thAmendment which reserves this right to the Sovereign States, their governors should declare Martial Law to prevent insurrection by those who wish to overthrow the government by the people, of the people and for the people.
