Austin, Texas:
Connecting the Dots
On Dec 15, I created a thread which showed that the City of Austin did in fact have a contract w Solarwinds which was procured through Insight Public Sector. SolarWinds hack linked toRussian group — APT29 aka Cozy

1. CITY of AUSTIN :
You've been HACKED!
In Apr. 2019, the Austin City Council approved a contract w Insight Public Sector., a procurement company, in order to indirectly hire SolarWinds. pic.twitter.com/2v9cGgkr0F
