DMK President MK Stalin after presenting a detailed complaint to Governor Banwarilal Purohit, speaking to media said, the complaints that have been given to the governor had already been given to DVAC, but to no avail. Since the DVAC failed to take action, 1/n

the DMK had moved court and Madras HC had ordered a CBI investigation against CM Edappadi Palanisamy, which was subsequently stayed by HC. The Governor has the power to order a probe, and told the media that Governor said “he will take appropriate action”. 2/n

Stalin also said, DMK will take these charges to people’s court.

However, Stalin should be aware that, Banwarlial Purohit’s only interests in Tamil Nadu is to protect the interest of Brahminical forces. 3/n

Sources say, apart from, supporting Anna University VC Soorappa, an RSS stooge, to protect him from a Commission of Inquiry, Banwarilal has been pressurizing EPS, to convey the land encroached by SASTRA University, for more than three decades. 4/n

In a detailed order, Madras HC has categorically rejected SASTRA’s request to re-convey and regularize the encroachment of more than 50 acres of government land and the appeal of SASTRA to Supreme Court has also turned down. 5/n

The Madras HC, in its order said that, the claim of SASTRA that, former CM MGR granted them the land “orally” cannot be sustained in law.

Mylapore Broker and Tuglaq Editor, Gurumurthy, is now arm-twisting Banwarilal Purohit to mount pressure on 6/n

TN CM Edappadi Palanisamy to issue orders immediately regularising the three decade old encroachment by SASTRA University at Thanjavur, and grant them the land for free.

To circumvent the pressure, sources add,

TN CM Edappadi Palanisamy, had formed a Committee under the Chairmanship of senior IAS officer Gagandeep Singh Bedi. As Mr. Bedi is unlikely to endorse an illegality, the @RSSorg, directed the BJP to unleash one of its greyhounds @IncomeTaxIndia add sources. 7/n

The recent IT searches on Sri Pathy associates, a firm, which is rumoured to be close with TN CM are connected with EPS's refusal to grant the illegal demand of SASTRA university and his order for a probe against Anna University VC, Soorappa, add sources. 8/n

Sources further add that, another demand of Gurumurthy is that the list of elevation as HC Judges should be affirmed by the state government, whose opinion will be sought shortly.

As we have flagged already, one Srimathy, who is a below mediocre advocate 9/n

is the wife of one Mr. R.Sundaram who is popularly known as Auditor Sundaram. He is now the National Convenor of Swadeshi Jagran Manch, an affiliate of the RSS that deals with economic issues and promoting self- reliance. 10/n

The IT raids on Sri Pathy Associates, and most of the political developments happening every minute are by Gurumurthy in the interest of brahmins. If the BJP is really serious about eradicating corruption, Deputy CM OPS 11/n

should be behind bars by this time, by this brilliant investigative piece that appeared in The Week

Further information about Gurumurthy will follow. 12/12
