Has this man been concealing his true identity?

Is this man a supposed 'dead' Seal Team Six soldier?

Witness protection to be kept safe until the right moment when all will be revealed?!

Who ELSE is alive that may have faked their death/gone into witness protection?

Were "golden tickets" inside the envelopes??

Are these "golden tickets" going to lead to their ultimate undoing?

Review crumbs on the board re: 'gold'.

This #SEALTeam6 photo reminded me of something....

'These are the incredible four-tube night-vision goggles SEAL Team Six wore during the Bin Laden raid' https://t.co/Cz5uonbu5W

Reminds me of this drop #4902 from the board.
https://t.co/mtJfFxwtp9

He says, "Golden tickets lined with lead".

Could that mean the contents of the envelopes were "lined"/put into play/sent from the #SEALTeam6 Patriots?

"Lead lining a coffin SEALS the coffin, it keeps out moisture and preserves a body longer."

SEALS!!

SEALS!!!!■

Also, "watch the WATER".

Remember this interview from @Annakhait with Charles Strange (Seal Team 6 Michael Strange's father)? https://t.co/YSKNvtZD8p
