1/ Happy #SocialistSunday - and welcome to the weekly #SocialistSundayMegaList!

Please sign & widely share my petition for an emergency UBI and alleviate pandemic poverty. https://t.co/dilMlYxCCG

The following list is 100% randomised.

2/ If you're included but don't want to be, feel free to let me know - ideally by DM, because I'm much more likely to actually see that. This thread gets a lot of notifications!

(Stats as ever will follow the list of names)

Megalist commences:
