Please remember this whistleblower's statements. The true objective here is an attack on Iran, which would presumably lead to draconian measures at home, and justify martial law. Look past the temporary events and see the scheme. Who truly controls

What is the real relationship between Kerry and Zarif? Does Iran truly control its own country?

"death by a thousand cuts, attacked on a thousand fronts...use that to declare martial law and stay with total control. That was their big secret plan. At the end that was how they were going to take over." Anon whistleblower 3/4/2020

“Go right after Rod, you [he?] was right in the center of it. [He] likes to call himself a lightning rod because you think she [he?] controls everything from the middle.”

“The ‘rogue intelligence community’....allows them to play the victim; ‘we trusted people, we appointed them to these powerful positions, and they betrayed our trust.’"

“It’s true. There are movies of Hillary and Huma together in with children I’ve seen a couple. Huma’s husband Weiner is a degenerate [pedophile]—[he likes] boys and girls. They were copying everything as their insurance file. Sean [?] has a copy of the Weiner laptop.”

“So having heard the video is no big deal as long as Hillary was there and other people [?]. That’s where the leverage is. If they released it they could always digitally altered [sic] her face or something."

"Do you remember talk a few months ago how it was all over the news and how people could alter videos or new software they can make entirely fake videos? That’s when the laptop was leaking out—information about it."

"They were building their alibi in case it got out, that any video you saw was fake, is altered, wasn’t real. That was them setting up, but it didn’t come out at that time."

"It’s definitely them, there’s no doubt; I mean some of them were very clear. Some were just cell phone videos. Others they must have used an actual camera.”

"JiaQi, AKA JaiQi Bao, AKA Jiaqi Wang, AKA Jiaqi Wang Bao, AKA Wang Bao Jiaqi, AKA Qinping Bao, AKA TianTian Bo, was Ye Jianming’s US based assistant/advisor....chairman of the China Huaxin energy conglomerate and Hunter’s and Jim Biden’s business partner."

"Ye Jianming and his US based staff worked closely with Chinese intelligence which controlled large parts of the strategy, funding, and overseas operations of CEFC and another of the Biden’s Chinese joint ventures named Bohai Harvest RST (BHR)."

"Following traditional honeypot tactics, JiaQi was used to sweeten Hunter’s already saccharin laced business engagement with CEFC. She kept an eye on Hunter from her base in NYC and acted as a cutout between the overseas Chinese officials and the Bidens."

"In one alluring communication JiaQi wrote:

'…regarding the delivery of your doggie chain and holiday/birthday package. I safe kept your belonging for you as promised.
'

The “doggie chain”...were Hunter’s dog tags which he left behind after one of his 'enchanted' visits."

"On March 2019, JiaQi, who is fronting Chinese intelligence wrote to Hunter: 'Trump is not focusing on the right issue and not using the right approach. His inefficient and ineffective way of doing thing can lead this county onto the wrong path.'"

China and Iran have signed a 25 year partnership deal.

Do you doubt that an American traitor wrote that agreement?

Do you still think everything depends on one man's oath?

Don't.
